Subject: Update Meeting re: Collaborative Effort

---

Dear Mayor Tookey:

Thank you so much for meeting with Larry and me last week. I today spoke with Martin Hestmark at EPA. He fully endorses your idea of an update meeting in the Spring or early Summer to discuss progress in the collaborative effort to improve water quality and habitats in the Animas. Martin is going to consider when such a meeting might be most beneficial, and then we can coordinate.

Thanks again.

Greg
